ACTUAL STARVATION

Thos. J. Chenoweth, Druggist, Gives Facts Regarding Dyspepsia

Although indigestion and dyspepsia are so prevalent, most people do not thoroughly understand their cause and cure. There is no reason why people should not eat anything they desire—if they will only chew it carefully and thoroughly. Many actually starve themselves into sickness through fear of eating every good-looking, good-smelling and good-tasting food, because it does not agree with them.

Dieting cannot cure Dyspepsia. If we refuse every article of food that disagrees with us, before long we have nothing left, and find ourselves chronic dyspeptics.

I can cure Dyspepsia. I am so confident of this fact that I guarantee a cure, and promise to supply the medicine free of all cost to every one who will use it, who is not perfectly satisfied with the results which it produces. I exact no promises, and put no one under any obligation whatever. Surely, nothing could be fairer. I am located right here in Maysville, and my reputation should be sufficient assurance of the genuineness of my offer.

I want everyone in Maysville who is troubled with indigestion or dyspepsia, in any form to come to my store and get a box of Rexall Dyspepsia Tablets. Take them home and give them a reasonable trial, according to directions. They are very pleasant to take; they soothe the irritable stomach, strengthen and invigorate the digestive organs, promote a healthy and natural bowel action, immediately relieve nausea and all stomach irritation, produce perfect and healthy digestion and assimilation, and promote nutrition.

A 25c. package of Rexall Dyspepsia Tablets furnishes 15 days' treatment. In ordinary cases, this is sufficient to produce a cure. In more chronic cases, a longer treatment, of course, is necessary, and depends upon the severity of the trouble. For such cases, we have two larger sizes which sell for 45c and 89c. Thos. J. Chenoweth, corner Second and Sutton streets, Maysville, Ky.

Answer This Question

When a remedy has lived for over thirty years, steadily growing in popularity and influence, and thousands upon thousands of women declare they owe their very lives to it, is it not reasonable to believe that it is an article of great merit?

We challenge the world to show any other one remedy for a special class of disease which has attained such an enormous demand and maintained it for so many years as has **Lydia E. Pinkham's Vegetable Compound**, the famous woman's remedy for woman's ills. Unless it is a very good medicine and the claims made for it are honest, such a record would have been impossible—fraud or misrepresentations would long ago have been detected and the business gone into oblivion. Read this unsolicited letter:—

Melbourne, Iowa:—"I suffered for many years with female troubles, inflammation, and bearing-down pains, so that I was unable to do my work."

"Lydia E. Pinkham's Vegetable Compound was recommended, and I am so thankful for the great good it has done me. I feel that I am a living advertisement for this medicine as I have influenced so many of my friends to use it, so thankful am I that it restored me to health."—Mrs. Clara Watermann, R. D. 1, Melbourne, Iowa.

When a woman like Mrs. Watermann is generous enough to write such a letter as the above for publication, she should at least be given credit for a sincere desire to help other suffering women. For we assure you there is no other reason why she should court such publicity.

We say it in all sincerity and friendship—try this medicine.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.

Free Laxative Cured Legions

Realizing how difficult it is to con-
vince the average person that one
remedy is different from another,
even though recommended for the
same purpose, and that where one
fails the other may still succeed, the
dispensers of Dr. Caldwell's Syrup
Pepsin, the great herb laxative com-
pound, have for several years sent
free trial bottles of the remedy to
any person who would send name and
address.

Through this offer many hundred
thousand samples have been distributed.
Dr. Caldwell's Syrup Pepsin has never
been recommended for anything but such
conditions as constipation, liver trouble,
biliousness, sour stomach, indigestion,
flatulency, dyspepsia, sick headache,
heartburn and similar symptoms of stom-
ach, liver and bowel disease. That it
will cure such troubles is attested by the
experience of Mrs. Lydia Dixon, of Mingo,
Ky., Mrs. N. Cunningham, of Tuleen, Ore.,
St. R. Tucker, of Hattiesburg, Miss., and
a host of others. They originally sent
for the free trial bottle, and then, being
convinced that the remedy was helping
them, they bought the regular 50-cent or
\$1 also bottle of their druggist, and in a
short while were cured.

While Dr. Caldwell's Syrup Pepsin is
sold by druggists with the guarantee that
it will do as claimed or money will be
refunded, yet any reader suffering from
a stomach, liver or bowel complaint is
invited to write to Dr. Caldwell at the
address below for a free test bottle, which
will be cheerfully sent. We doubt if there
is a laxative in America that has so
many families using it in the home as
Dr. Caldwell's Syrup Pepsin. Owing to
its special ingredients it has proven a
great life-saver of children, women and
old folks. It is pleasant to take and
never gripes.

If there is anything about
your ailment that you don't
understand, or if you want
any medical advice, write
to the doctor, and he will
answer you fully. There is
no charge for this service.
The address is Dr. W. B.

While Mr. Hampton had been ailing for
some time his condition had never been con-
sidered serious. He worked as usual Saturday
and was feeling well until Sunday morning,
when he complained of severe headaches. He
was obliged to go to bed, and at 2 o'clock Sun-
day afternoon he was found dead in bed.

Dr. Rohe, the Coroner, was called and he de-
cided that death was due to a cerebral hemor-
rhage.

Mr. Hampton went to Portsmouth from this
city about eight months ago.

He leaves two sisters, Mrs. Alice Klinger of
Portsmouth and Mrs. Fanny Johnson of Berlin,
and three brothers, James of Colorado, Wil-
liam of this city, and Alex of Cincinnati.

The funeral will be held this morning at
Portsmouth, with short services by Rev. How-
ard, after which the body will be brought to
this city for burial.

Why Suffer?

Are you one of the thousands of women who
suffer from female ailments? If so, don't be discour-
aged, go to your druggist and get a bottle of Wine of
Cardui. On the wrapper are full directions for use.

During the last half century, Cardui has been
established in thousands of homes, as a safe remedy
for pain which only women endure. It is reliable,
contains no harmful ingredients and can be depend-
ed on in almost any case.

Take CARDUI

It Will Help You

Mrs. Charles Bragg, of Sweetser, Ind., tried Cardui. She
writes: "Tongue cannot tell how much Cardui has done for me.
Before I began taking Cardui I could not do a day's work. I
would work awhile and lie down. I shall always give praise to your
medicine." Try Cardui.

There is more Catarrh in this section of the
country than all other diseases put together, and
until the last few years was supposed to be incur-
able. For a great many years doctors pronounced
it a local disease and prescribed local remedies,
and by constantly failing to cure with local treat-
ment, pronounced it incurable. Science has
proven Catarrh to be a constitutional disease
and therefore requires constitutional treatment. Hall's
Catarrh Cure, manufactured by F. J. Cheney &
Co., Toledo, O., is the only constitutional cure on
the market. It is taken internally in doses from
10 drops to a teaspoonful. It acts directly on the
blood and mucous surfaces of the system. They
offer one hundred dollars for any case it fails to
cure. Send for circulars and testimonials. Ad-
dress, F. J. CHENEY & CO., Toledo, O.

Two Factors

other than the fabric make a garment worth the price demanded. Any tailor can give you good cloth in a garment—he need but pay for it. Few tailors can give you the good fabric plus the distinctive style and fine tailoring which identify Geo. H. Frank & Co.'s Clothing for Men.

\$10 to \$25

Style which is distinctive enough to be out of the rut, yet never loud enough to offend good taste. Tailoring which is good as head-and-hand can devise—good enough to hold the style permanent as long as the garment is in service.

EVER HAVE IT?

If You Have, the Statement of This Maysville Citizen Will Interest You

Ever have a "low-down" pain in the back? In the "small," right over the hip? That's the home of huckache. It's caused by sick kidneys. That's why Doan's Kidney Pills cure it. Maysville people endorse this. Read a case of it:

Frederick Dresel, 1238 East Second street, Maysville, Ky., says:

"I consider Doan's Kidney Pills to be a most excellent remedy for kidney trouble and am only too glad to speak in their praise. About five years ago I was bothered by weak kidneys and the secretions were scanty and attended with pain during passage. Severe pains across the small of my back were frequent and at times greatly interfered with my work. While telling a friend of my condition, he advised me to use Doan's Kidney Pills and I procured a box at J. J. Wood & Son's Drugstore. I used them according to directions and they afforded me prompt and effective relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
